***Downtown Sheboygan Location Closed***

Mark Zimmer, President of Zimmer Funeral Homes, Inc. announced the official closing of the North 6<sup>th</sup> Street location of Zimmer Funeral Home. " When we began our marketing study in 1999, it was determined that the 6<sup>th</sup> street location had served it's purpose for almost 20 years, but that it was outmoded by the needs of our client families. Off-street parking was a challenge, and the funeral home could not accommodate the large funeral visitations some families had. Westview was located on a major highway corridor just outside of Sheboygan on a 5 acre parcel of land, allowing up to 120 cars to park at that facility, and to accommodate extremely large funeral visitations.

Since building the Westview facility 8 years ago, the downtown location has become dormant. It became evident over that time period that this location was no longer viable and reluctantly, was officially closed as of the 1<sup>st</sup> of October, 2010.#
