At the conclusion of making funeral arrangements, a preliminary Statement of Funeral Goods and Services will be completed and presented to you for your acceptance. Your signature on the statement will indicate that you accept this obligation personally and in any official capacity you may have. It is normally required that most cash advances be given to those parties rendering service on the day of the funeral. A final statement will be sent to you approximately 7 days after the funeral service. The balance will be due upon receipt of that statement. If full payment of the funeral expense balances is not received within a 30 day timeline, a late payment fee of 1.0% (12% per annum) will be added to the unpaid balance. If an estate MUST be set-up to pay for services rendered, we reserve the right to add our late payment fee after 30 days from date of statement. Visa and MasterCard are accepted, and there will be a 2% merchant card processing fee included. If you have any questions regarding our terms, please ask. We will try to accommodate your financial nee
